New England College

Enrollment Confirmation Form

When you confirm your enrollment, you will declare your intent to attend New England College. Please see **here** for important enrollment deadlines.

First Name: Sandip

Last Name: Neupane

Email Address: sandipnup1996@gmail.com

Program: Executive MS Data Science & Analytics

Important: The Executive Program requires you have a job or internship in a position directly related to the program's curriculum throughout the duration of the program. **You will be required to relate your job duties to program-specific learning objectives by completing the Employment Authorization Form.**

Do you currently have a job or internship? Yes

If you answered no above, will you have a job by the start of the program? Select One

I am confirming my enrollment at New England College, and I understand that I must have employment by the start of the program in a position directly related to my program of study.

Signature  Date 02/11/2026

Please see your next steps **here**.

Please email this completed form to your admission counselor to confirm your enrollment.
